25X1 MEMORANDUM FOR

Executive Secretary
Central Intelligence Agency

SUBJECT: Research on POW/MIA Issue (U)

The POW/MIA issue remains one of highest priority for us. Our dialogue with the Vietnamese and Lao has increased at both the policy and technical levels in the past two years, a trend we expect to continue. (U)

Given Vietnamese continuity on the issue through four administrations, the need for more detailed information on our previous negotiations is needed. Much of the material required is in the Presidential libraries. (C)

The voluminous amount of material that needs to be screened requires a full-time researcher for a short, sustained period of six weeks. Given the sensitivity of the task, we request the Agency provide a researcher with some familiarity on Vietnam who could screen and retrieve the appropriate material for our use. We have narrowed the task considerably by pinpointing timeframes, events and subjects which our staff is prepared to brief whomever you select. Your help is greatly appreciated. (C)
